FINANCIAL DEPARTMENT.

READ—the following paper:—

G.O., dated 26th September 1894, No. 5994, Military.

Read—the following paper:—

No. 268. *From Captain E. DeBRATH, Deputy Secretary to the Government of India, Military Department, to Colonel D. J. S. McLEOD, Officiating Secretary to the Government of Madras, Military Department; dated Simla, the 1st September 1894, No. 2394-A.*

Army List.

With reference to the correspondence ending with your letter No. 4661, dated 27th July 1894, I am directed to forward, for revision and early return, under the orders of the Governor in Council, the accompanying list showing the officials, Civil and Military, in the Madras Presidency to whom it is proposed to issue the Indian Quarterly Army List from 1st April 1895, in lieu of the local Army List, and the number of copies which it is proposed to supply to each.

2. It will be observed that many of the officials are now supplied with both the monthly and quarterly issues of the local list as well as with the Indian Army List, and in estimating the number to be supplied to them in future, the highest number of the three has been adopted. Those officers who get the Indian Army List only have not been included in the list as they will not be affected by the change.

3. I am to request that in revising the list the following points may be taken into consideration with a view to determine whether any reduction is possible in the number of copies to be supplied in future:—

- (a) In the Madras Presidency 21 Collectors receive a copy each of the Madras Army List. No such issue appears to be made in Bombay, but if considered necessary, they might be restricted to an issue of the first quarter only as in Bengal.
- (b) The Superintendent of Telegraphs, Madras, receives 10 copies of the local list. This number appears susceptible of reduction. No such issue appears to be made in Bombay, and in Bengal 5 copies of the Indian Army List meet the requirements of the Director-General of Telegraphs.
- (c) The Assistant Inspector-General of Police, St. Thomé, is supplied with 26 copies of the local list. In Bombay no such issue appears to be made, and in Bengal only the Inspectors-General, Allahabad, Punjab and Bengal, and Deputy Inspectors-General, Umballa, Rawal Pindi and Lahore, and Assistant Inspector-General, Railway Police, Allahabad, get a copy each.

List showing the officials and departments in the Madras Presidency who should be supplied with the Indian Quarterly Army List from 1st April 1895 in lieu of the Madras Army List with which they are supplied at present and the number of copies to be supplied to each.
