3. On making a further reference, the District Munsiff in his No. $\frac{235}{1171}$ dated 3rd August 1894, says that

with its enclosures
to be kindly returned

In forwarding for orders some
correspondence relating to the attach-
ment of Government property by the
District Munsiff of Bezawada, I have
the honor to ask for sanction to pay
the costs said to be necessary.

No. 3-9-0

2. It appears to me that, as, at
the time of attachment Mr. Legg
was living in a Government building,
care should have been taken not
to attach Government property.

3 The District Munsiff in his letter
No. $\frac{220}{1047}$ of 28th July 1894 states that the
property was ordered to be released,
but ^{that} no order of release was issued -
This seems contradictory, & in any case
a hint to the Sub Divⁿ Officer in the
first instance would have enabled
the process fee to be paid and the
property to be recovered.

4. I cannot understand why it
should be necessary to employ a Vakul
and to incur costs amounting to Rs. 3-9-0
in order to recover Government property
in value Rs 6, which was wrongly
attached, I presume by some servant
of the Court.
