

Dated 30th October 1894

No. 2225

Eng

From

S. H. Wynne Esq

Ag Collector of Nellore.

To the Secretary to the Board of Revenue
Land Revenue Madras

Sir,

With reference to para 5 of my recent

report No 1077 dated 17th May 1894, I have the
hon to request that supply may be ordered of 16 iron
record racks as detailed below:—

No of racks required	Dimensions	Remarks
(A) 4	For English Record Room $4\frac{1}{2} \times 1\frac{1}{2} \times 12$ with a space of 13 inches between each shelf	For the custody of disposal number bundles
1	$6 \times 2\frac{1}{2} \times 12$ with a space of 20 inches between each shelf	For the safe custody of old records known as sent and receive books
(B) 11	For the Vernacular Record Room $6 \times 1\frac{1}{4} \times 12$ with a space of 11 inches between each shelf	For the safe custody of Vernacular documents

2. The existing iron racks in the English Record room
are getting rapidly filled and it is expected that
shortly there will be no more room left for arranging
disposal bundles from the different branches of
this office. The Board are aware how rapidly

records accumulate under the Disposal number system.

3. There are two wooden racks at present and one iron rack in the Vernacular record room and it is proposed to replace the 2 wooden racks by 11 iron ones as shown in the statement above, to provide for the increasing requirements of the Vernacular records and to secure them completely from white-ants.

4. Provision has not been made on this account in the District Budget for the current or coming year.

I have the honor to be,

Sir

Your most obedient servant
