Govt. of Mysore

Copy of letter No 1918 dated 29th October

1894 From the Executive Engineer
Kandarah Division to the Superinten-
-ding Engineer 3rd Circle Bellary

I have the honor to invite your
attention to the following facts, and to
request you will obtain the sanction of
Government to exempt me from the
operation of the rules quoted by the
Examiner.

The question is a matter of
Travelling allowance claims.

I halted at the Sagiler ancient
works from the 27th July till 3rd
August i.e. 8 days. I then marched
to Kalasapad (3½ miles distant) where
I halted from 4th to 9th August. I then
returned to the ancient works and
stopped there from 10th to 23rd and
claimed Travelling allowance for the
first 10 days of the halt. On the
24th & 25th I was at Kalasapad

and on 26th I marched to Mamamilla
8 miles further on. Under Civil Service
Regulations article 1159 & 1164, the Examiner
has disallowed my claim for daily
allowance from 6th to 19th and for 24th
& 25th August, that is to say, he has
only allowed me travelling allowance
for the first 10 days of the whole
period.

I maintained complete camp
equipment during the whole of this time
and my reason for stopping so long
at the camp was that the question
of dismissing the contractors was then
at its height. Under these circumstances
I request you will obtain the exemption
of Government as provided for in
article 1159.

I also request that the case
of my camp clerk who was with
me the whole time be considered
with

with mine.

No. 1852 of 5th November 1911

Engineer O.W.D. for favor of necessary
sanction.
