A letter from the
Collector of Anantapur
was received yesterday
through the Rev. Dept.
explaining that pro-
posals were under
consideration, which
would probably
render the construction
of a new school
house unnecessary
& that until the
question was decided
there was no need
to proceed with
the acquisition of
the site. This
paper was sent on
to Dolacumund
yesterday, with
a draft order
to the Educational
Dept. asking for
very early orders

with the order

Letter from the Engr. Engineer Bellary Division
No 2336 dated 20th September 1894 to the Supty.
Engineer, III Circle, Bellary.

With reference to your No 1465 dated 12th
September 1894, I have the honor to propose that
a sum of Rs 3,500 be transferred from the existing
grant of Rs 10,000 for the School House at Anantapur
to the additional block of cells to the District Jail
at Bellary. The site for the School House at
Anantapur has not yet been handed over to this
Department. This question is still under correspon-
dence with the Collector Anantapur and even
if the site is handed over now it is not likely
that the whole grant of Rs 10,000 would be spent
within 6 months. Hence the proposed surrender.
