READ—the following paper : —

From C. MILDRED, Esq., Executive Engineer, Kistna Northern Division, to the
Superintending Engineer, II Circle, dated Bezwada, 24th October 1894,
No. 336 S.E.

With reference to paragraph 3 of G.O., No. 1454 W., dated 31st May 1893,
communicated with your endorsement No. 744 K.S., dated 14th June 1893, sanction-
ing the estimates for first-class Taluk and Deputy Collector's offices at Narasaraopet,
I have the honour to submit herewith estimates amounting to Rs. 580 and 420,
respectively, for wire fencing around the compounds of first-class Taluk and Deputy
Collector's offices at Narasaraopet for sanction.

2. The estimate for District Munsif's Court at Narasaraopet provides for a
masonry compound wall at a cost of Rs. 2,000 sanctioned in G.O., No. 505 W., dated
27th February 1893, communicated with your endorsement No. 3068 K.S., dated 11th
March 1893; but as these three buildings are in one compound, as will be seen from
the enclosed site plan, I submit an estimate for Rs. 800 for wire fencing around the
compound in place of masonry wall. By substituting wire fencing for a masonry wall,
a saving of Rs. 1,200 will be effected.

No. 1781 K.S.

Forwarded to the Chief Engineer, Public Works Department, for favour of
obtaining the sanction of Government to the supplemental estimates of Rs. 580 and
420 for wire fencing the compounds of the Taluk and Deputy Collector's offices at
Narasaraopet.

2. An estimate, amounting to Rs. 800, for wire fencing in place of a masonry
compound wall for the District Munsif's Court at Narasaraopet is also submitted for
sanction of Government.

3rd November 1894.

(Signed) W. L. C. BADDELEY, Major R.E.,
