PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Registrar of the High Court, Appellate side, d^y 26^o October 1894, No 3131-

With reference to G.O d^y 24^o Vol- Commenced 6 August 1894 R No 825 judicial, I am directed P.W. Sectt. to state that the High Court considers the plan suggested by the Executive Engineer the only feasible one and I am to request that Government may be pleased to permit the retention by the Judicial Department of the old Court-house at Bellore as an adjunct to the District Munsiff's Court at that station.

2. The enclosures that accompanied the above G.O are herewith returned.

Order 16^o November 1894, No 2486.

Before final orders are passed as to the retention by the Judicial Department of the old Court-house at Bellore as an adjunct to the District Munsiff's Court at that station, enquiries will

will be made in the Public Works
Department whether an extra room might
not be built at the end of one of the
wings of the building as it appears
to be impracticable to build the
additional Property room at the back
of the Court house as proposed by the
Consulting Architect in his letter
No. 2154 of 16th October 1893.

2. Inquiries will also be made
whether, if one of the rooms of the
old Court house is taken up for
use as a Property room, the rest of
that building will suffice for the
Post office which is, it appears, in
need of new accommodation.
