Subject or Proposition:- Read letter Ref No. 1006 dated 3rd Ver

May 1894 from the Collector requesting to inform if the old catchery building at Degarajapattam is required for the use of Local Fund School.

Resolution:- A thatched building with mud walls has been constructed at a cost of Rs 110, but this is quite insufficient to accommodate the school and unsuitable. The Board think that the school may be permanently located in the Salt office and the new building sold away.

(Separate Revenue),

Dated 24th October, 1894.

No. 4521 Mis.

Read again Proceedings of the Board of Revenue, Separate Revenue, dated 11th September 1894 No. 3866 Miscellaneous, requesting the Deputy Commissioner, Central Division, to report as early as possible, whether there is any objection to the transfer of the old Salt office building at Dugarazpatnam to the Kallur Taluk Board for the use of the Local Fund School in that village.

Read also letter from the Deputy Commissioner—Central Division dated 5th October 1894 No. 4355, informing that the old Salt office at Dugarazpatnam was handed over to the Collector as ordered by the Board and requesting that the building be ordered to be given back to the Salt Department for the quarters of the Gudur Assistant Inspector.

Resolution

Resolution

With reference to the endorsement of Government dated 4th September 1894 No 3465 Mis. Revenue, forwarding for remarks letter from the President, District Board, Nellore No ⁸⁸⁴_{D.B.} dated 11th August 1894 (herewith returned), the Board begs leave to report that the building at Dugarazpatnam referred to was used as a Salt Cutcherry prior to the re-organization of the Salt Department in 1882. Subsequently it was used by the Assistant Inspector attached to the Dugarazpatnam factory as his residence and office. The building, however, being at a distance from the factory (more than a mile), quarters with office combined were constructed in 1891-92 for the use of the Assistant Inspector and his office. As the building was not required by the Salt Department, the local officers were directed to hand it over to the Collector of the District in accordance with Board's Standing Order No 188. The Deputy Commissioner states that this order was carried out by the

the Assistant Commissioner, Nellore Sub Division on the 15th August 1893, but that the building is now required as quarters for the Assistant Inspector recently sanctioned for the Krishna Patnam Circle in connection with the extension of the Free Tax system. Vide G.O. dated 26th Sept 1894. No 694, Revenue. The Board concurs with the Deputy Commissioner and recommends the retransfer of the building to the Salt and Alkali Department. It cannot be spared for the Local Fund School.
