29TH NOVEMBER 1894, No. 3073 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads,
Civil Works.

READ—the following papers:—

From J. P. DAVIDSON, Esq., Officiating Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chépák, 20th September 1894, No. 321.

In Board's Resolution printed with G.O., No. 1937 W., dated 4th August 1894, the accommodation required for a Stationary Sub-Magistrate is laid down.

2. Stationary Sub-Magistrates' offices at Tindivanam, Tirukkóyilúr and Kallakurchi, South Arcot division, have been sanctioned in G.O., No. 1938 W., dated 26th July 1893, and the works are now in progress.

3. The design followed in each of the three buildings is that of the tracing herewith forwarded; this is nothing more than a copy of the portion of the present Consulting Architect's design for a taluk office circulated with G.O., No. 3023 W., dated 11th November 1891, which is reserved to the Stationary Sub-Magistrate.

4. In each case the new buildings are being constructed in close proximity to existing taluk offices; the taluk offices at Tindivanam and Tirukkóyilúr are on the design approved in G.O., No. 1495 W., dated 3rd June 1887, while the office at Kallakurchi is of older date. In the case of Tindivanam and Tirukkóyilúr, however, the record room gives greater accommodation than is allowed in the design, its extension having been carried out under sanction accorded during construction of the building.

5. A comparison of the new design of November 1891 with that of June 1887 shows that the accommodation for clerks is virtually identical in the two cases, and the same may be said of records. Under these circumstances, the Stationary Sub-Magistrates' offices now being built at Tindivanam, Tirukkóyilúr and Kallakurchi, inasmuch as, with the help of the taluk office adjacent to them, they provide the same accommodation as is allowed in the standard design, may, I presume, be considered satisfactory.

6. I have not considered it necessary to stop work in any of these three cases, as additional accommodation can be provided if required, but I bring the matter to your notice for such orders as you consider necessary.

7. If these buildings, built as they are close to existing taluk offices, do not give sufficient accommodation, then it follows that the standard design is also deficient in this particular.

MILITARY DEPARTMENT.

SIR,

In returning Reference Order Military
Department No. 4562 dated 23rd ultimo and
its enclosures, I am desired to state it has
been ascertained, that there is no ~~been~~ place
more conveniently situated than the one now
occupied by the Sergeant Instructor, South
Indian Railway Volunteers at Nellore, and
that no other arrangements can be made
at present for housing that non Commissioned
officer.

2. The Commander-in-Chief is of opinion that
the present case is one which falls within
the provisions of para 167 Army Regulations
India Volume IX and recommends therefore

that Sanction may be accorded to the
payment of the higher rate of rent viz
Rs 20/- per mensem.

2. I am to point out that although
the Government of India letter quoted by
the Examiner Public Works Accounts states that
the Sergeant Instructor has no absolute
claim to be provided with quarters,
instead of receiving Compensation in lieu,
it does not limit such Compensation
to Rs 15/-

SIR,

With reference to your telephonic
message No. 5321 of 28th August last,
I am desired in reply to state, that
owing to the smallness of the amount
which stood to the credit of the corps on
the 31st March 1894, it is considered
that the South Indian Railway
Volunteers are not in a position to
meet during the current year, the
difference between the rate ordinarily
allowed and the actual rent of the
