FINANCIAL DEPARTMENT.

Read—the following paper :—

From the Inspector-General of Police, dated 5th November 1894, submitting budget estimates of the Police Department for 1895–96.

Order—dated 22nd November 1894, No. 1018, Financial.

The budget estimates of the Police department for 1895–96 have been carefully and clearly drawn up.

2. A provision of ·50 under receipts and 1·64 under charges has been entered on account of the new Railway Police scheme. In accordance with Note 116 of Appendix P. of the Civil Account Code, the entries under detailed account No. 20-F, *Railway Police*, should represent the exact charge borne by Government under each sub-head, after deducting the recoveries. An allotment of 1·14 will accordingly be entered in the budget, and the Accountant-General will be requested to consider whether the present classification of receipts and charges in the case of existing Railway Police establishments is correct.

3. The reorganisation of the district executive force sanctioned in G.O., dated 18th November 1893, No. 1159, Financial, has been worked out in all its details in the present estimates, the increased cost being 1·35, as shown below :—

Detailed Account No. 20-C.	Cost under old scheme.	Cost under new scheme.
Police force	24·84	25·71
Subsidiary Jail guards	·25	·30
Treasury guards	1·39	1·74
Process-servers	·36	·44
	26·84	28·19
	1·35	

4. The substitution of Probationary Assistant Superintendents on Rs. 300 for Gentlemen Inspectors on Rs. 150 and 200 under G.O., dated 17th July 1894, No. 1761, Judicial, has given rise to a further increase of ·18 lakh.

5. A sum of ·30 lakh has been added under *Petty construction and repairs* for the erection of policemen's huts under departmental supervision. The Public Works Department will exclude this item in framing its forecast of requirements for 1895–96.

6. The provision under various items of the estimates for 1895–96 is unnecessa high and will be reduced as shown below :—

Explanatory Remarks.

ange between the estimates for 1894-95 and 1895-96 has been proposed except under "Probable Savings."

(*a*) The actuals in 1893-94 show an increase of Rs. 1,000 over the previous year's figure. This is due to ordinary fluctuations.

The increase is due to the City Police escorting Burmese prisoners from the Penitentiary to the Rangoon Jail—*vide* G.O., No. 1060, dated 4th June 1892, Judicial Department. A sum of Rs. 2,053 was incurred on this account.

The increased actuals in 1892-93 are owing to the supply of woollen coats costing about Rs. 3,000 during that year and the first issue of clothing for the year 1893-94 costing about Rs. 3,000 having been supplied during 1892-93.

(*d*) The average of the past three years' actuals is Rs. 11,000, but the actuals in 1892-93 amounted to Rs. 14,639.

(*e*) The increase of rent of private buildings and of Municipal assessments on Government buildings, accounts for the increased actuals under this head.

The decrease as compared with the previous year's actuals is mainly due to low actuals under heads "Clothing" and "Salaries."

here is no change in the estimates, the actuals in 1893-94 and 1892-93 are nearly the same.

The actuals in 1893-94 and 1892-93 are nearly the same.

Explanatory Remarks.

ppointment of Special Inspector for dacoity party has been abolished as not being required.

le G.O., No. 1159, dated 18th November 1893, Financial, sanctioning supernumerary Inspectorships and charge allowances.

., No. 551, dated 6th March 1894, Judicial, sanctioning a temporary addition of one head constable and four constables for performance of Police duties at riyár camps.

This sum includes Rs. 48,500, being the cost of increase included in the scheme for general increase of force on account of sub-jail and treasury guards and process-servers shown under head "Other Police" in the succeeding page.

The actuals show an increase of Rs. 4,000 over the previous year's figure. This is due to ordinary fluctuations.

‡ The rates of pay of the menial servants are not given in most of the individual estimates received in the Surgeon-General's office this information will be given in future estimates.

(*c*) The Surgeon-General's estimate has been adopted.

(*d*) This establishment was sanctioned for the Trichinopoly and Srirangam towns—*Vide* G.Os., No. 2076, dated 28th August 1894, Judicial, and No. 873, dated 11th September 1894, Financial.

(*e*) The increase is due to the issue of a larger number of Railway credit notes owing to the extension of Railways—the East Coast Railway ; as the actuals of the previous year show a steady increase, the estimate has been raised by Rs. 5,000.

(*f*) The increase in the estimate has been made for conveyance allowance of Inspectors sanctioned by Government in G.Os., No. 1159, dated 18th November 1893, Financial, and No. 1436, dated 12th June 1894, Judicial Department.

Explanatory Remarks.

(a) The increase in the actuals under this head for 1893-94 is owing to—

(1) The receipt before 31st March 1894 of all the Europe articles costing about Rs. 53,000 required for the year 1894.

(2) The receipt in 1893-94 of 6,900 yards of cloth, blue woollen, costing about Rs. 20,000, which should have been received during the year 1892-93.

(3) The receipt in 1893-94, in advance, of a portion of jail supplies (drill and cumblies) costing about Rs. 10,000 required for the year 1894.

The actual requirements for 1895-96 being Rs. 2,00,000, the estimate for 1894-95 has been reduced by Rs. 20,000.

(b) The actuals in 1892-23 included Rs. 1,000 sanctioned for Inspector Narrayanaswamy Nayudu, Rai Bahadur, in G.O., No. 811, dated 27th April 1892, Judicial. This accounts for low actuals in 1893-94.

(c) The decrease in the actuals for 1893-94, as compared with the previous year, is due to fewer elephants having been purchased for the use of this department during that year.

(d) As it is the intention of Government that most of the huts should be constructed departmentally (G.O., No. 2446, dated 6th October 1894, Judicial), a sum of Rs. 30,000 has been added to the usual estimate, viz., Rs. 80,000, on this account.

(e) The actuals in 1892-93 swelled owing to the inclusion of Rs. 500, drawn out of the arrears of rent due for the Head-quarter office, Salem, and Rs. 800, being the arrears of rent for the Head-quarter office, South Arcot, drawn and paid to the owner. Hence low actuals in 1893-94.

(f) The increase is due to a larger expenditure incurred on account of "lighting" and "carriage of stores."

(g) The increase in the estimate is due to the addition sanctioned by Government in G.O., No. 1159, dated 18th November 1893, Financial, on the scheme for general increase of force.

(h) The increase in the estimate is due to the addition sanctioned by Government in G.O., No. 1159, dated 18th November 1893, Financial, on the scheme for general increase of force and No. 2229, dated 25th October 1893, Financial.

(i) The increase in the estimate is due to the addition sanctioned by Government in G.O., No. 1159, dated 18th November 1893, Financial.

(j) The inclusion of 1 head and 9 constables sanctioned in G.O., No. 551, dated 6th March 1894, Judicial, on account of Periyár Project Works, accounts for the increase under this head.

(k) The estimate for 1895-96 is Rs. 37,670 more than that of the previous year. It is made up as follows:—

Increase—	
District Superintendents and Assistant District Superintendents ..	45,750
District Police, Hackney Carriage Establishment ..	852
Allowances ..	6,440
Supplies and services ..	10,000
Contingencies ..	1,400
Other Police ..	50,745
	1,16,187
Decrease—	
District Police Force—Rural and Reserve ..	77,517
	37,670

(l) The increase for Village Police included in the scheme for general increase of force not having been sanctioned, the provision disappears in the estimate for 1895-96.

Colonel C. C. RAWSON, R.E., Superintending Engineer, III Circle,
Chief Engineer, Public Works Department, dated Bellary, 6th
ember 1894, No. 1855.

eference to paragraph 2 of G.O., No. 1367 W., dated 2nd June 1894, and continuation of this office No. 1271, dated 21st August 1894, I have the honour to ubmit, for your sanction, a revised estimate, amounting to Rs. 3,250, for constructing a ub-Registrar's office at Allagadda in lieu of the one already sanctioned for Rs. 3,180.

2. The high rates for plastering with chunam is not for the ordinary kind of work, but it was intended to polish the plaster in lieu of whitewashing, and the Portland cement plastering was intended to plaster the interior walls all round to a height of 3 feet. As the present Executive Engineer considers that such superior work is unnecessary, the estimate has been now revised for ordinary plastering and is submitted for sanction.

3. The estimate has been corrected by this office to Rs. 3,250 by including the cost of zinc sheeting instead of planks under tiles for record room as per G.O., No. 2460 W., dated 3rd October 1894.

Order—dated 4th December 1894, No. 3101 W., Public Works.

The revised estimate, amounting to Rs. 3,250, for constructing a Sub-Registrar's office at Allagadda in the Kurnool district, is sanctioned in supersession of the estimate of Rs. 3,180 sanctioned in G.O., No. 1367 W., dated 2nd June 1894.

2. With reference to G.O., No. 1762 W., dated 13th July 1894, the fence, for which a lump sum provision of Rs. 100 has been made in the estimate, should be of plain, not barbed, wire.

3. This sanction has been registered as Provincial No. 80 W. of 1894–95 and classified as Civil Buildings, Original Works.
