From the Presidency Port Officer, 29th
November 1894, N^o 1391/408 J.

With reference to G.O. Marine N^o 345,
of 28th August 1894, I have the honour to report
that an estimate of Rupees (185) one hundred
and eighty five (exclusive of per centage for Public
Works supervision and Tools and Plant) for a
new Teakwood ladder has been passed and
returned by me to the Consulting Architect.
Such a ladder would be less expensive than
a spiral staircase and would answer the
required purpose.
