Public Works Department,
Railway Branch.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following:-

Letter from the Ag. Collector of Madras, to the Secretary
to Government, Revenue Department, Ref: No. 5006 dated 3rd --
December 1894.

Adverting to Government Order Revenue No. 4374 Mis:dated
the 12th ultimo, I have the honor to submit, for favor of --
very early orders, the enclosed letter dated the 1st instant
from Dewan Bahadur A. Pinto, the Special Officer therein ref-
ferred to, who reported himself to me on the afternoon of --
that date.

2. First of all he solicits instructions as to how he should
obtain funds required for payment of Compensation, which he
may have to award from time to time. By virtue of his appoint-
ment as Special Officer for the acquisition in question, he
should, I think, be regarded as placed at the disposal of the
Public Works Department, and, as such, he will be a Public --
Works Disburser so far as regards the obtaining of funds --
making disbursements and accounting for the same (vide Rules
1 and 2 of Appendix C Civil Account Code). In other respects
he may be considered as under the General Orders of the Collec-
tor of Madras or of Chingleput as the case may be.

3. The work of preparing the requisite schedules for publi-
cation under section 6 of the Act (I of 1894) is too much to
be got through by Mr. Chester and his establishment without
detriment to the current work of his office. I therefore pro-
pose that the preparation of such Schedules also be under-
taken by the Special Officer. This will afford him some pre-
liminary insight into the nature, value &c., of the lands he
will have to deal with, and it will facilitate the subsequent
settlement of Compensation.

I have first of all to state that I am to draw funds for payment of compensation under Rules 1 and 2. Appendix C does not show a special officer engaged solely on compensation work, it would appear, regarded as a public works officer and supplied with funds in the same manner as an executive officer. But as I am to be engaged in one of the two ways mentioned in rule 1 of the said appendix, I would prefer to adopt the first of the two ways last mentioned and make the compensation payable to the parties themselves at the Assistant General's Office at Quebec (Form B) countermanded by me. But I think the Assistant-General's consent should be obtained for this purpose. I beg that this may be done as early as possible.

I beg further that you be allowed an office establishment consisting of:-
