utilized on other works in the division.

2. Taluk office at Tiruchengode.

There were two contractors conjointly employed on this work. They, it appears, were quarrelling with each other over their accounts and were till now going on with the work very slowly. As per their own request, the work is now about equally divided between them as reported by me to you in my No. $\frac{53982}{8-11-94}$ and it is fairly progressing for the last three weeks. As about Rs 2500 is yet to be paid for woodwork and Mangalore tiles for roofing are yet to be obtained, it is considered certain that the full grant will be utilized.

3. Head Assistant Collector's bungalow at Tirupattur.

The contractor of the taluk office is doing this work also. Woodwork has not yet been obtained and paid for. The Sub Divisional officer assures me that he will spend on this work even more than the grant. I do not therefore propose any surrender of grant.

4. District Munsiff's Court, Salem.

Woodwork is not yet paid for,
