

No. 2745

Office of the Consulting Architect to Govt.,
Chepauk, Madras.
13th December 1894.

From

Henry Irwin, Esq., C.I.E.,
Consulting Architect
to the Government of Madras,

To

The Chief Engineer
Public Works Department.

Sir,

Enclosures

With reference to G. O. N^o 1826 W
dated 23rd July 1894 transferring a sum of
Rs 2229 from the grant for additions to the
Presidency College, I have the honor to state
that as the work is progressing, the existing
grant (Rs 12771) has been exceeded by
Rs 1161/- to end of November 1894 and as more
money will be required before the end of the
current official year to meet the cost of work
that is being done as also the cost of the gardens
indented for in the Secretary of State in
G. O. N^o 2065 W dated 20th August 1894. I request
that you will kindly arrange for an additional
sum of Rs 900/- being placed at my disposal
for expenditure on the above work during the
current official year.

2. To meet the above demand I propose
that the sum of Rs 6620/- given in the mar-
ginally noted G. O. for establishing the Govern-
ment Lime kilns on the site of the Brick-
fields, may be resumed & added to the
Provincial reserve with Government. I
make this proposal as the decrease in the
stock balance of this Division during the
current official year to end of November 1894.
amounts to Rs 18162, and as it is probable that
this decrease will be still greater by the
end of the year, I shall not require the above
sum of Rs 6620/- as the credits to stock during
the year will it is expected more than cover
the debits.
