Public Works Department Resolution No. 441 G., dated 20th March 1885.
Despatch to Secretary of State, No. 10 P.W., dated 29th January 1889.
Despatch from Secretary of State, No. 18 P.W., dated 11th April 1889.

Resolution.—With reference to the orders contained in the Resolution quoted in the preamble, under which the maximum pay of Government officers transferred to foreign service was fixed at the pay of the grade next above that in which the officer is graded on the Government list, His Excellency the Governor-General in Council desires it to be clearly understood that the orders referred to do not necessarily contemplate any immediate increase of salary in the case of an officer lent to a foreign employer in India for the performance of duties similar to those which he is called upon to perform in the service of Government; nor do they justify the preferment of any claim by such an officer to a higher rate of pay as a matter of right.

It should be understood that no stipulation as to increase of pay should be made unless the question of increase is initiated by the foreign employer concerned. After such initiation, the question whether any increase above the pay admissible in Government service is justified should be considered both with reference to the qualifications of the officer transferred and the nature of the duties to be undertaken.

Order.—Ordered, that this Resolution be communicated to the Governments and Administrations and officers noted in the margin, and to the Foreign and Financial Departments for information.
