

grant for lighting a church
of 400 sittings is limited
to Rs 400.

2. Since the submission
of the estimate, Govern-
-ment of India standing
order no 216, modifying
Rule XXI above quoted has
been received, and it is
therein ruled that Govern-
-ments will not ordinarily
undertake the cost of the
renewal of furniture in
churches which are not
primarily intended for the
accommodation of troops,
and that where pew-rents
are not charged it is
expected that the cost
will be met from con-
-tributions by private
persons and members
of the congregation. In
these circumstances the
Government regrets that
it is precluded from
making any grant towards
the renewal of the light-
ing of Holy Emmanuel
Church.

To

The Chaplain

of Holy Emmanuel Church.

Sir,

/ Enclosures.

With reference to your letter No. 107 dated the 27th ultimo, I have the honor to forward an estimate for providing new lamps and altering 2 candle coronas and attaching kerosine lamps to them. It is possible that you may be able to get Messrs P. Orr & Sons to reduce the cost.

2. I find that the maximum Government grant was given & utilized when the Church was constructed. you should therefore represent the matter to the Venerable the Archdeacon for obtaining a grant towards the purchase of the lamps. I do not think that Government would be disposed

disposed to meet the entire cost of the lamps.

Venerable Sir,

We have the honor to bring
to your notice that the Church Com-
mittee have long had under consider-
ation the subject of the insufficient
light in Holy Immanuel Church.
The present lamps are lighted with
candles and do not give sufficient
light - they are expensive as compared
with Kerosine lamps in the matter
of lighting - they have been in use
for the last 30 years.

2. The Consulting Architect to
Government was addressed on the
subject, and he deputed the Officer
in charge, North Sub. Division to
inspect the Church which was accord-
ingly done, the great want admitted,
and the necessary estimate prepared.

3. The Committee now beg to
enclose the letter of the Consulting
Architect to Government and the
estimate above referred to, and to
request

*In original -
To be returned.

request you to be so very kind as to
represent the matter to Government
with a view to obtaining a grant
towards the purchase of the necessary
lamps and the conversion of the old.
The Committee earnestly trust that
you will strongly support their
application. They shall be most
happy to give you any further in-
formation you may require, or
meet you at the Church at any time
you may appoint. The great need
for having the Church properly
lighted and the poverty of this
District compel the Committee
to appeal to Government for their
indulgent assistance.

Sir,
With reference to G.O. 15-ho: 1893 No 2941. b.
Public Works. I have the honor to forward
enclosed for the order of Government.
(1) Letter from the Church Committee of S. B. Town
stating that the present lighting of the
Emmanuel Church is insufficient & expensive;
& that the present lamps have been in use for
30 years & requesting that Government will be
pleased to make a grant towards the purchase
of the necessary lamps & the conversion of the
old.
(2) Estimate by the Consulting Architect for relighting
the Church at a cost of Rs 4160. -- dated 9th June 93
(3) Letter from the Consulting Architect to Govern-
ment No 708 dated June 10. 93 stating that
the maximum Government grant was given &
utilized when the Church was constructed.
I have later seen the Chaplain of S. B.
Town & he informs me that he believes if the
money were placed in his hands he could
satisfactorily relight the Church for 800 Rs
3 I have the honor to wish that Govt. will
favorably consider the application for a grant
towards the necessary expenditure
