Read—again the following papers :—

G.O., dated 27th February 1893, No. 822, Revenue.

Read—Proceedings of the Board of Revenue (Land Revenue), dated 24th January 1893, No. 510.

Order—

There is no precise information in any of the papers now submitted to Government regarding the place of arms in which it is proposed to locate the Vellore Town Sub-Magistrate's office. The Board is, therefore, requested to furnish the Government with a plan of the building as well as with information regarding the extent of alterations which will be required to convert the building into a Sub-Magistrate's office.

Reference, dated 7th March 1893.

Referred to the Collector of North Arcot for submission of the plan and the information required.

Read—official memorandum from the Under Secretary to Government, Revenue Department, dated 23rd June 1893, No. 101 R.

Reference thereon, dated 30th June 1893.

Forwarded to the Collector of North Arcot for very early report in continuation of Board's reference order, dated 7th March 1893, on its Government Register No. 571 of 1893.

Read—the following letter from H. A. STUART, Esq., Acting Collector of North Arcot, to the Secretary to the Commissioners of Land Revenue, dated Gudiyáttam, 19th July 1893, No. 765 I.N. :—

With reference to Board's Reference on Government Register No. 571 of 1893, dated 7th March 1893, I have the honour to forward herewith a plan of the building known as the "place of arms" in which it is proposed to locate the Vellore Town Sub-Magistrate's office, together with a plan showing the position of this building. The building consists of two large halls with rooms on one side and a verandah on the other and it is proposed to use the eastern half as an office for the Vellore Town Sub-Magistrate.

2. The changes deemed necessary to carry out this proposal are marked in red ink on the plan. They are as follows:—

The portion of the hall marked B. C. H. G. is intended for the Sub-Magistrate's court room. The portion marked A. B. C. D. will be the clerks' room. It should be separated from the court by a wall marked B. C. It is proposed to make Q. T. R. S. the record room with a door-way between R. S. and a window between S. T. The room marked X should be converted into a verandah. Two windows are required in the clerks' room between D. and C.; one will be a new one and the other will take the place of an existing door. The room marked M. N. O. P. should be converted into a verandah. A door will be needed at G. leading into the room behind, which may be used as the Sub-Magistrate's retiring room and one or two new windows will be required in this. The room west of the clerks' room and south of the record room may be used for the storage of property received in connection with criminal cases.

3. These alterations, together with repairs to roof, floor, doors and windows, are roughly estimated to cost Rs. 700. A compound wall is desirable, but it is not absolutely essential. It would cost about Rs. 800. It is reported that the old Deputy Tahsildar's cutcherry at Sallivanspet will fetch about Rs. 1,000, so that the cost to Government will not be great even if the compound wall is built.

Resolution—

The Collector's letter read above and the plans which accompany it will be submitted to Government with reference to G.O., dated 27th February 1893, Mis. No. 822, R.D.

2. With reference to the concluding paragraph of the Collector's letter, the Board considers that a barbed wire fence is preferable to a compound wall.

3. It will be necessary to convert the two outer doors of the record-room into barred windows.

Order—

Referred to the Military Department for favour of report as to whether the Madras Infantry "place of arms" at Vellore is available for the purpose specified.

Order—

The foregoing letter from the Quartermaster-General communicated to the Revenue Department with the remark that there is no objection to the Native Infantry "place of arms" at Vellore being made over to that department for the purpose specified.

Order—dated 23rd December 1893, Mis. No. 4823, Revenue.

The proposal to convert the "place of arms" into a Sub-Magistrate's cutcherry is approved. Orders will issue in the Public Works Department for the preparation of the necessary plans and estimates.

2. With reference to paragraph 2 of Board's Proceedings, dated 26th July 1893, Mis. No. 4337, the Government observes that a compound wall is preferable to a barbed wire fence, which is liable to damage in a populous locality.
