Proceedings of the Board of Revenue
(Land Revenue)
Dated 20th October 1893,
No. 5978 Mis.

Read list of Works proposed to be carried out by D.P.W. received from J.H. Wynne Esqr. Collector of Godavari, dated 13th Octr. 1893, No. 326.

Resolution.

Submitted to Government in continuation of B.P. 5-10-1893 No. 5714.

2. It is observed that the estimate for work No. III as submitted in B.P. $\frac{20-9-93}{5450}$ for the sanction of Government amounts to Rs. 35,920 (Rs. 37,900 - 1,980) against Rupees 31,250 as now returned by the Collector. The latter figure represents probably the estimate for the main building alone.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following Government Order, dated 16th March 1893, Mis. No. 1084, Revenue :—

Read—the following Government Order, dated 28th February 1893, No. 525-W., Public Works :—

Order—dated 28th February 1893, No. 525-W., Public Works.

His Excellency the Governor in Council observes that the procedure in regard to the submission to Government of budget estimates of works to be carried out by the agency of the Public Works Department is becoming unsettled and that in some cases duplication of work occurs. It is desirable that this matter should be placed on a proper footing.

2. It had long been customary to look to Superintending Engineers for complete budget estimates of the requirements of all departments within the limits of their circles, but in recent years a practice has grown up whereby the heads of certain departments, *e.g.*, Police, Jails, Registration, &c., submit direct to Government additional lists of works. His Excellency the Governor in Council considers that this practice may with advantage be extended to all departments so far as *civil works* are concerned. Heads of departments will therefore be expected to submit by 1st October in each year complete lists of their requirements in the accompanying form, the works being entered in each case in the order of urgency. The list will include all departmental demands under "Provincial and Local Civil Works" for *Original* works,* whilst minor works † and repairs will be included in the budget estimates of *Superintending Engineers*. The budget estimates of Superintending Engineers will also include Provincial roads and buildings required for the use of the Public Works Department. Any provision made by Superintending Engineers on account of Local Fund works, original or repair, should be based on the specific approval to the entry in each case of the local authority concerned. All heads of departments will submit their budgets through the department of the Secretariat to which they are subordinate.

3. Superintending Engineers will furnish heads of departments with any information they may require in regard to works including previous expenditure that may be necessary for the preparation of the budget lists.

4. The following are the heads of departments who will submit budget estimates under these orders :—

Board of Revenue (Land Revenue, Forest and Customs).
Registrar of the High Court, Appellate Side.
Archdeacon of Madras.
Inspector-General of Jails.
Inspector-General of Police.
Director of Public Instruction.
Surgeon-General with the Government of Madras.
Inspector-General of Registration.
Presidents of District Boards.
Presidency Port Officer.
Registrar, University of Madras.
Superintending Engineers.
Consulting Architect.

---

* Costing more than Rs. 500.
† Costing Rs. 500 and below.

5. These orders do not apply to the budget estimates of irrigation works.
