From Brigadier-General E. H. EYRE, Quartermaster-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 28th November 1893, No. 2160 M.W.

I am desired to forward the accompanying communication * from the General Officer Commanding Madras District and to solicit instructions as to whether the registration of the "Non-Conformist cemetery" at Madras should be effected by the above-named officer or by the Consulting Architect to Government.

* No. G. 787 of 20th November 1893.

Enclosure.

From Brigadier-General T. VAN STRAUBENZEE, c.b., R.A., Commanding Madras District, to the Quartermaster-General, Madras Army, dated Fort St. George, 20th November 1893, No. G. 787.

The Madras Municipality has called upon this office to have "The Non-Conformist cemetery" referred to in Proceedings of Government, No. 3931, dated 15th July 1891, registered under section 379, Madras Act I of 1884. The favour of information is therefore requested as to whether the required registration should be carried out by this office or by the Consulting Architect to Government.

2. It is true that the cemetery alluded to was handed over to the General Officer Commanding Madras District, but still it will be seen under Proceedings of Government, No. 3960, dated the 14th June 1890, that all Government churches and cemeteries in Madras should be in charge of the Consulting Architect to Government. In accordance with the Proceedings of Government above quoted, the Consulting Architect has, on a reference made to him recently on the subject, intimated that his department will execute any repairs, &c., required for the Non-Conformist cemetery alluded to on a requisition approved of by the General Officer Commanding. Following the same principle therefore I am of opinion that the necessary registration should be effected by the Consulting Architect.
