To. The Senior Medical Officer

Sir,

I beg to submit the accompanying fresh bill for arrears of compensation, in lieu of quarters, due to me, with the following explanation, according to the memo No. 1085 of the 18th ultimo from the Secretary Surgeon General with the Government of Madras, and your memo No. 2007 of the 22nd ultimo, herewith returned.

During the period for which the compensation is now claimed, I was attached, successively, to the General Hospital Madras (from 1st March to 30th June 1887), to the Hospital for women and children (from 1st July to 13th August 1887), to the Leper Hospital, Madras (14th August to 5th Septr. 1887), and again to the General Hospital, Madras, (11th June to 31st July 1889).

True W.P.

I received compensation in lieu of quarters regularly up to the end of February 1887, from the General Hospital, Madras, where, the bills for pay and allowances due to the apothecaries are prepared by the Steward department. On the 30th June 1887, when I was transferred from the General Hospital, I was informed that the bills for compensation for the three preceding months had been forwarded from the General Hospital to the P. W. Department and that on receipt of a cheque, the amount and a last house-rent certificate would be sent to the next Medical Officer, under whom I was directed to do duty.

No records to show why this was not drawn regularly. W.P.

As I did not receive the arrears of compensation for several months, even after my removal to the Leper Hospital, Madras, the Surgeon 1st District, in charge of the Leper Hospital, wrote to the Senior Medical Officer of the General Hospital and received from him the necessary certificates and then forwarded the bills for compensation from 1st March to 5th September 1887 to the P. W. Department.

[illegible]

The Executive Engineer, Presidency Division, having returned to me the above said bills, for explanation for the delay in submitting them, I resubmitted the bills with the necessary explanation and vouchers in February 1889 to the Secretary Surgeon General with the Government of Madras, through the District Surgeon, Tanjore, as I was then serving in that district. Those bills were, subsequently, sent to the Senior Medical Officer General Hospital, Madras.

The bills for compensation due to me from 11th June to 31st July 1889 were forwarded from the General Hospital, Madras, to the P. W. Department.

I submitted letters about the arrears of Compensation due to me, through the several Medical Officers, under whom I served. As the amount has not been paid to me up to the present date, I beg to submit the enclosed fresh bill as directed.

Sir

With reference to your letter No 308 Ms of the 25th Ultimo, I have the honor to inform you that as there are public quarters attached to the Hospital, no application for quarters was made for Asstt Apothy. T. Gooroosawmy Pillay on his joining the Govt Leper Hospital on the 1st August/87 from the Hospital for Women and Children Madras to which he had been removed from the General Hospital Madras.

This Apothy. arrived at Madras from Rangoon on the forenoon of the 15th February/86. He drew the compensation for house rent due to him for the period he served in Burmah on his arrival at Madras. where he continued to draw the compensation up to the end of February/87. and to no later period.

I believe the bills for compensation for the subsequent period were forwarded to your office by the Senior Medical Officer of the General Hospital under whom the Apothy then served but they were not passed for some reason not known to this office. On the receipt of the necessary certificates from the General Hospital the bills now under reference were prepared and forwarded to your office.

SIR,

I have the honour to forward the Correspondence marginally noted regarding arrears for Compensation for quarters claimed by 2nd Grade Apothecary T. Gurusamy Pillay who is at present posted to the Lunatic Asylum.

(1) Memo No 1085/16.2.93 from Secy Surgeon General
2 Letter No 4/4.3.93 from Apothecary Gurusamy Pillay.
3. Bill in duplicate for house rent.
4 Copy of letters 2055/4.3.93 & 2056/4.3.93 from Sr Med officer
5 Letter No 52/6.3.93 from Surgeon 2nd District.
6. Letter No 322/6.3.93 from Surgeon 1st Dt.
7. True Copies of Correspondence referred to in above.
8. Letter No 6/7.3.93 from Apothecary Gurusamy Pillay.
9. Letter No 326/10.3.93 from Surgeon 1st Dt.

2. The records of this Hospital show that Compensation for house rent (at the rate of Rs 30 a month) was drawn and paid to him for the months of September, October, November and December 1886 and also for January and February 1887. His name is also included on the Common bill for March and April 1887, but omitted from that for May and June.

3 The acquittance roll shows that Apothecary Gurusamy Pillay did not acknowledge receipt of Rs 30 for March and April respectively; but there is no record to show whether this was received or not; neither any note as to why his name is omitted from the bills for May and June. I have written to Executive Engineer, Mily Wks Bangalore asking why these sums were cut from the March and April bills.

4 The letters from the Surgeons 1st and 2nd Districts show that there will be trouble to get the Compensation for House Rent for

the times spent there. I therefore suggest that 2nd Grade Apothecary T. Gurusamy Pillay be ordered to prepare separate bills for the time he spent in each Hospital as this will greatly simplify matters.

5 I note that he was on privelege leave from the forenoon of 25th March 1887 to the forenoon of 25th May 1887. I believe he is not entitled to Compensation for quarters during this period.

Sir,

At the instance of the Executive Engineer Military Works Madras Division, I have the honor to forward for the sanction of Government two bills for compensation for quarters submitted by apothecary T. Gooroosawmy Pillay - viz one for seven months from March to September 1887 and the other from 11th June to 31st July 1889.

2. The apothecary was not provided with free quarters during these two periods and is therefore entitled to the compensation claimed by him.

3. The delay in the submission of the claim although partly due to the apothecary's own negligence is mainly attributable to the Steward's Department in the General Hospital where the original bills were

were lost and no information of any kind was forthcoming although repeatedly called for.

4. The file of correspondence in connection with the case is enclosed for information and favor of return.
