28TH FEBRUARY 1894, No. 543 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads,
Civil Works.

READ—the following paper :—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Kasibugga, 9th February 1894, No. 2459 G.D.

With reference to G.O., No. 1251 W., dated 20th April 1892, transferring the old travellers' bungalow at Nallacheruvu to the District Board, Gó dávari, on certain conditions, I have the honour to bring to your notice that the building has since collapsed. The Local Fund Engineer advised the Board that the building was not worth repairing and that it should be entirely reconstructed.

2. The Board now ask that the building as it now stands with the site may be sold to them, or to transfer the building and site unconditionally to them.

3. The building when handed over to the Board was in a dilapidated state. The walls are of mud, the roof of palmyra couples and thatch.

4. Under these circumstances, it would seem hardly equitable to expect the Local Fund Board to reconstruct it and hand it over when required for provincial purposes.

5. I beg therefore to be favored with orders on the subject. I would beg to recommend that the Government Order sanctioning the transfer be cancelled, that the materials of the old building be sold, and that the site be retained by this department.

ORDER—dated 28th February 1894, No. 543 W., Public Works.

G.O., No. 1251 W., dated 20th April 1892, will be cancelled, the materials of the building sold, and the site handed over to the Revenue Department.
