Office-note from the Examiner of Public Works Accounts, dated 15th February, 1894, No. 511 D.

Checked and found correct.

ORDER—dated 1st March 1894, No. 558 W., Public Works.

The statement submitted by the Superintending Engineer requires correction. The sweeper attached to the Bellary Division office continues to be charged to establishment under G.O., No. 840 W., dated 28th March 1893, and he should not therefore have been included. The watchman for the Kampli rest-house has also been incorrectly entered. He has never been charged to "Establishment," and there is thus no question of his transfer to "Works." The statement, corrected in accordance with these remarks, is approved.
