For orders.

The power claimed by the Financial Dept to make the transfer of funds is supported by rule 3, Art 283 of the Civil Account Code; but there is some confusion in regard to the classification of "Salt" buildings. These have always been classified as "Imperial" by the P.W.D. They are so shown in the G. of I. Code – vide p. XXVII of Appendix VI. Vol II and the G. of I. has always provided funds under Imperial to meet the cost of the works – vide the resolution recorded in the G.O. 196 W. d/ 22 Jany 94. nearly two years after the promulgation of the present Provincial Contract (G.O. 392 Fin. d/ 30 March 92).

The Financial Dept. Endorsement may perhaps be communicated to the Examiner without comment. He will discuss the matter

No. 205 of 3rd February 1894

Retransferred to the P.W.D. with the remark that the Examiner P.W. Accounts has apparently overlooked the fact that the expenditure under 5, Salt is divided between Imperial & Provincial in fixed proportions under the present contract, and that under rule 3, Art 283 of the Civil Account Code this Govt was within its powers in making the transfer objected to. It is not understo why the Examiner proposes to debit the cost of the work in question to Imperial seeing that under the existing contract the whole of the charges under 45, Civil Works except those on account of the Post Office and Telegraph buildings are Provin

P.W.D. C. No. 894

It is observed that para 2 of the draft order is based on the P.W. Code which is of earlier date than the Govt. I. resolution sanctioning the present Provincial contract, under which all charges under 45 Civil Works, except those for Post Office ~~works~~ & Telegraph buildings, are Provincial. The continuance of the provision ~~of funds~~ by the Govt of India of funds for the construction of salt works is apparently due to an oversight.

From the Financial Dept. (A) No. 205 d/ 3rd February 1894.

Communicated to the Examiner P. W. accounts with reference to his office note No. 151 D dated 19th January 1894.

It is observed that notwithstanding the reclassification of salt buildings under the Provincial contract of 1892, as pointed out by the Financial department, these buildings are still shown as Imperial in the P. W. Code – vide p XXVII, appendix VI Volume II, and funds for their construction from that source continue to be provided by the Government of India. The question will be referred to the Government
