GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper:—

Resolution of the Government of India, Finance and Commerce Department (Leave and Leave Allowances), dated Calcutta, the 1st February 1894, No. 426-P.

Read—

Despatch to the Secretary of State, No. 355, dated 1st November 1893.
Despatch from the Secretary of State, No. 252 (Financial), dated 21st December 1893, and memorandum enclosed.

From the Government of India, to the Right Honorable the Secretary of State for India, dated 1st November 1893, No. 355.

We have the honour to forward a copy of a letter from the Accountant-General, Madras, regarding the claim of A. B. to be paid the difference between his leave allowance at 1*s.* 6*d.* and at 1*s.* 4¾*d.* to the rupee for the period of his leave subsequent to the 1st April 1893.

2. A. B.'s claim is admissible under paragraph 4 of the Resolution in this department, No. 3624A., dated 18th August 1893, and we consider that in his and in all similar cases the amounts due should be drawn at the Home Treasury of the Government of India.

3. We request your Lordship's orders on the point.

From the Right Honorable the Secretary of State for India, to the Government of India, dated 21st December 1893, No. 252 (Financial).

I have considered in Council your letter, dated the 1st of November, No. 355, respecting the claim of A. B. to be paid the difference between his absentee allowance at 1*s.* 6*d.* and at 1*s.* 4¾*d.* the rupee for the period of his leave subsequent to the 1st of April 1893.

2. I concur in the opinion of your Government that in this, and in all similar cases, the amounts due should be drawn at the Home Treasury of the Government of India; and I request that a communication in the terms suggested in the memorandum by the Deputy Accountant-General at this office, of which a copy is enclosed, may be made to A. B. and to the officers specified in the accompanying statement.

Dated 1st December 1893.

Enclosure.

Memorandum by the Deputy Accountant-General of the India Office, dated 1st December 1893.

The difference between A. B.'s absentee allowance at 1*s.* 6*d.* and at 1*s.* 4¾*d.* the rupee for the period from 1st April to 21st June 1893, the date of his return to India, amounting to £4–16–7 net, can, in accordance with the decision of the Government of India, be issued to his agents in this country upon his notifying that it is his wish they should receive it, or a draft for the amount can be forwarded to him.

A list is annexed containing the names of those officers and others who, like A. B., returned to duty before the adjustment authorised by the Resolution of the Government of India of the 18th August 1893 could be effected. It is suggested that these officers should be informed that the differences, as shown in the list, which have accrued since the 1st April last, in respect of the adjustment of their furlough or other allowances at the privileged rate of 1*s.* 6*d.* the rupee, are payable to them in this country only, and can be issued to their agents here under power-of-attorney, upon a notification of their wish to that effect, or, in the event of their having no agents, by means of forms of draft which would be sent to them by this office for negotiation through any banker in India in the ordinary way.

As these differences would only be payable in this country, amended last-pay certificates would not be issued.

Order.—Ordered, that a copy of these papers be forwarded to all Local Governments and Administrations, all Departments of the Government of India, Heads of Departments subordinate to this department, the Comptroller and Auditor General, and to all Accountants-General and Comptrollers for information.

Ordered, also, that extracts from the statement referred to in the despatch from Her Majesty's Secretary of State be forwarded to the Local Governments and Administrations, the Departments of the Government of India, the Heads of Departments subordinate to this department, and to the Accountants-General and Comptrollers concerned for necessary action.

(Signed) R. A. GAMBLE,
Offg. Under-Secy. to the Govt. of India.

ENCLOSURE.

PARTICULARS of Adjustments at 1*s.* 6*d.* instead of 1*s.* 4$\frac{1}{2}$*d.* the rupee, due to officers who returned to India prior to the former rate being sanctioned, which have not since been issued in this country.
