6TH MARCH 1894, No. 621 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 14th February 1894, No. 530 D.

In G.O., No. 2892 W., dated 29th October 1891, it was decided that no centage charges were to be made on Workshop outturn debitable to Provincial funds. The question has now been raised whether the order was intended to include Provincial *Irrigation* works; and as the procedure in this respect of the Nellore and Dowlaisheram Workshops is apparently not uniform, the point is referred for favour of specific orders of Government.

ORDER—dated 6th March 1894, No. 621 W., Public Works.

The exemption allowed in G.O., No. 2892 W., dated 29th October 1891, was only intended to apply to Provincial Civil Works, to which head the cost of general "Establishment" and "Tools and Plant" is charged in the first instance. Centages on work done in Sub-divisional Workshops for Provincial Irrigation works will therefore be paid. The rate will be 20 per cent. as in the case of Imperial Irrigation.
