READ—the following paper :—

From Colonel FANE SEWELL, Superintendent of Pensions and Family Payments, to the Secretary to Government, Military Department, dated Fort St. George, 22nd February 1894, No. 6834.

I have the honour to bring to your notice that the Officer in charge of pensioners, Samulcottah, reports that the bungalow at that station, where payments to the pensioners and family certificate holders have hitherto been made, has now been taken up as a permanent residence, and that, therefore, inconvenience is now felt by that officer, there not being any permanent building for the purpose.

2. The officer in charge further reports that the detachment of Native Infantry having been removed from Samulcottah, there is now a Government building lying vacant, which was used as hospital and guard room by the said detachment, and which has now been handed over to the Department of Public Works.

3. Under the above circumstances, I beg to request that you will be so good as to obtain the sanction of Government for the vacant building in question to be placed at the disposal of the Pension Department.
