Sir,

Enclosures.

Adverting to your Memo No 382 C
dated 26 January 94, I have the honor to state
that the services of an additional Sub Officer
are absolutely necessary for require-
ments of the Division.

2. The sanctioned scale of Sub Officer
is 2, one of whom is solely attached to
Capt. Brickfield, and the other, in addition
to the charge of the Chupank Park, has to look
after repair works of Govt. Buildings such
as - Ambar Mahal, Post and Telegraph
Office &c.

3. Mr. Plummer, the Officer attached
to the P.W.D., has devoted his whole time
and attention to the details of the High

out Buildings and Law College, the latter
of which is under construction. The rearrangement
of works consequent on the transfer of the
Govt House Quindry to this Div, as also, the
Supervision of the Marina, which has been
greatly extended & which consequently demands
the attention of an experienced Subordinate,
necessitate the appointment of an
additional Sub Officer.

I immediately on the transfer of Quindry
works to this Div. had intended to apply
for the services of a Sub Officer, but I deferred
submitting proposals until after I realized
the necessity for the additional hand by
actual experience. I now find that the
additional Sub Officer applied for is
necessary and would solicit sanction
of Govt thereto, at an early date.

I had hardly add that the
additional work which is now being per-
formed by Mr. [Name] Curraway is really
the charge of a Sub Officer.

I am the honor to be

Sir

Yours most Obedient

notes attached, there to.

The C.A. now gives
rooms for the appt.
for additional sub-
overser to his Division.
The Chief one being that
on the transfer of the
buildings at Guindy
& laid out to his div.
from Chingleput, no
extra staff was al-
lowed. It is also
pointed out that Mr.
Gunnarani Nayudu
has really been doing
the duty of a sub-
overser.

If the recom-
mendation be ac-
cepted, a point
for order is the
grade in which the
new appt. should

be sanctioned. Mr. Guruswami Nayudu now draws, & has for some years been drawing Rs 35 per annum on the works establishment. If the new app. be made 2nd class, he will derive an immediate pecuniary advancement as he will begin only 35. He may rise to Rs 50 in ten years, or sooner if he receives special increments. The 1st grade begins at ~~Rs~~ Rs 50, or Rs 15 in excess of the master's present pay. The two sub-overseers now in the division are drawing Rs 20 & 60 per annum.

He may be appointed within 17.2.94 2nd grade. The usual proposition statement should be forwarded by the C.A. to Govt.
