CHIEF ENGINEER FOR IRRIGATION.

OFFICE NOTE No. 53.

KEEP-WITH.

No. , dated 189 .

Mr. Chatterton while in charge of Suddavada Division carried out certain hydraulic experiments on the Kistna Canal which may be of professional interest. He now informs me that it will be necessary to recalculate nearly all the daily discharges of several of the canals for the last few years besides some other work which will give employment to a smart Calculator for one month. He suggests that, if a lump sum of Rs 100 is sanctioned, he can obtain the services of a passed Engineer

student. I therefore shall be
glad if you place a sum of Rs 100
at Mr. Chatterton's disposal for
this purpose. The temporary
hand may nominally
be attached to this office
