PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers—

From the Quarter Master General, Cochin, dated 28th June 1893, N^o 1262, M. W., stating that the Sergeant Instructor's quarters at Calicut in which are stored the arms of the Malabar Volunteer Rifles, is situated in a very isolated position and therefore in a decidedly unsafe place; and recommending that the arms be removed into the Fort to a building formerly occupied as a store room for ammunition, but now used as a property room by the Police and adding that the collector thinks it feasible to hand over the room for an armoury.

Endorsement of the Military Department, dated 5th July 1893, N^o 4542.

Forwarded to the Judicial Department with the request that the Police building referred to in the Fort at Calicut may be made available for use as an Armoury by the Malabar Volunteer Rifles

files if no longer required for Police purposes.

From the Inspector General of Police,
dated 9th August 1893, N^o 4510.

From the District Magistrate, Malabar,
dated 21st August 1893, N^o 3395.

From the same officer, dated 22nd
August 1893, N^o 3546.

The currency office has
recently been removed into the new buildings and
I propose to locate the Town Sub-Magistrate, whose
present office is a sort of watch tower belonging
to the old District Jail, abolished in the year
1891, in the old currency office, but he will not
require the guard room.

There are also outside the
old currency office some out-buildings, one of
which was until recently used as the Escheat Deputy
Collector's record room. I propose to make over the
guard room and these out-buildings to the Volunteers,
as a place of arms and a residence for the Sergeant
Instructor. They are situated conveniently for the
parade ground, which would permit of the arms
being kept under the Sergeant Instructor's charge
and enable the Volunteers to obtain them before
and return them to store after each parade.

Endorsement

Endorsement of the Military Department,
dated 1st February 1894, N^o 677, on the following
letter from the Quarter Master General, Madras, dated
24th January 1894, N^o 128 M. H.

In returning as requested the
correspondence referred to this office with Military
Department Endorsement N^o 5949 of 9th September
1893, I am desired to report as follows:

Localities

4. A plan of the old currency office
buildings at this station is enclosed. The portions which
it is understood the collector is prepared, subject to
the sanction of Government, to hand over to the
Volunteers, are marked with a 'V' in blue pencil
and enclosed by a blue line.

5. It is proposed to occupy the several
rooms in the following manner:

- V. 1. Copper coin room as Armory.
- V. 2. Guard room as store room.
- V. 3. as bookroom for Sergeant Instructor.
- V. 4. as office.
- V. 5. Store room as Drill Hall and Library.
- V. 6. Record rooms as Sergeant Instructor's quarters.

6. A second Sergeant Instructor who
has been sanctioned for the cadet company, which
is now being formed, will be accommodated in the
present Sergeant Instructor's quarters.

7. The building V 6. is somewhat small but the General Officer commanding Southern District is of opinion it would suffice for a bachelor, and may be hereafter improved or enlarged. It may also be found possible eventually to construct a cook house for this quarter, thus setting free room V 3 for use as a clerk's office, V 4 being reserved for the Commandant and Adjutant.

8. The Commander-in-Chief approves of the above proposals and recommends that the buildings ^{both Palghat and} at Loliemt be placed at the disposal of the Corps rent free, or if this is not possible, that a nominal rental be charged for such ^{portions} of it as it is proposed to utilise for purposes not authorised.

Order, 26 February 1894, N° 488.

The proposal to make over part of the Property Room at Palghat to the Military Department for use as an armoury is approved.

2. The Judicial Department having no concern with the old currency office buildings at Loliemt, the question of utilizing them for the Volunteers will be disposed of in the Public Works Department.
