Order—dated 24th January 1894, No. 65, Revenue.

Miscellaneous.

In supersession of the orders read above, His Excellency the Governor in Council resolves to declare that all overpayments should in future be recoverable in the first instance from the Government servants who have received the same, but in cases in which the recovery cannot be so made from the payees, the disbursing officers will be required to make good the loss, unless they can satisfactorily explain the overpayment. The necessary orders in regard to recoveries from applicants for pension will issue in the Pension Department. No recoveries need be made in respect of allowances improperly drawn by Government servants, by reason of errors as to the grant of leave and the like, if such overpayments are not discovered within two years from the date of last overpayment.

2. The Collector of South Canara will be informed that the recoveries, now being made in his office in respect of overpayments made between 1872 and 1883, may be discontinued, but that sums already recovered need not be refunded.

3. The Collector's letter last read above should have been submitted through the Board of Revenue.
