PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Inspector General of Jails,
dated 13th December 1893, No. G/2226, objecting
to the site selected outside the Penitentiary
for the Contagious Diseases Ward, which
will be used also for Quarantine purposes,
and recommending that the Ward be built
inside and that the savings effected by a
separate enclosing wall not being required
and other savings from the estimate
sanctioned in G. O. 1023 W. dated 13th April
1893 be expended in improving the ventilation
of the lower stories of the sleeping barracks.

Endorsement of the Public Works
Department, dated 15th January 1894, No.
139C. on letter from the Consulting ^{Architect} to the
Government of Madras, dated 11th January
1894, No. 2852

From the Inspector General of Jails,
dated

156/3
dated 8th February 1894, No. 724, Submitting
information called for in Judicial Memo
No. 100, dated 18th January 1894, and
requesting sanction of Government to
certain proposals.

Order. 1st March 1894, No. 515.

The Inspector General should not
have made these material changes
without the previous sanction of
Government.

Block V (Quarantine Ward)
may be constructed as proposed. Any
savings that can be made out of the
Estimate by the abandonment of the
Wall at the West end must lapse.
In the present state of the finances
it does ^{not} seem advisable to incur avoidable
expenditure on the improvement of the
ventilation of the wards.

Abdulla Mawla
Under Secretary.

To the Public Works Department
with plan & estimate returned
Inspector General of Jails.
