Sir,

more than from
I bought it cheap
from the late Col Smalley, I am
selling it cheap.

2. I write to ask if you will
approve of my selling the tents
to Government for the use of the
Sup. Engineer's Quarters. In case
you should think it desirable
for my successor to fix the price
I have no objection to question of
price being fixed by him.

3. I may observe that tents
are not often used in this circle,
for the Sup. Engineer generally
travels in a boat. So I think my
tents are good enough for require-
ment, except that carpets are
required for the Swiss Cottage
tent. These can, however, be
provided with an additional
outlay of between Rs 20 & 30.

I have the honor to be,
Sir,
Your most obt. Servant

L. W. Martin
Sup. Engineer
