Municipality of Madras
General Department
Madras, 20th June 1892

From

Lieut. Col. G. M. J. Moore.

President, Municipal Commission

To

The Collector of Sea Customs,
Madras

Sir, In forwarding with reference to your
letter N. 1289, dated 11th June 1892, an
extract from the Proceedings of the Stand-
ing Committee held on the 17th Instant, I
have the pleasure to inform you that
the grant of the land free of rent is recom-
mended for sanction but on the
understanding that it may be resumed
at any moment free of any compensa-
tion for the shed or railings that may then
exist thereon.

I am etc

2Read The following Proceedings

of the Board of Revenue (Separate Revenue) of 8th February 1894 No. 567 Nis on the following letter from the Collector of Sea Customs, Madras of 20th January 1894 No. 126 G. —

I have the honour to bring to the notice of the Board and Government, that at present no protection whatever from rain is afforded to goods issuing from the Custom House and that they are huddled through mud and dust on to the roadway behind, where they remain exposed to the weather until carted away. The inconvenience has more than once been brought to my notice and I accordingly placed myself in communication with the President of the Municipal Commission and after some correspondence have obtained the assent of the Municipality to a portion of the road in question being taken up by me, for use for the erection of a light iron shed. I should mention here that goods issuing from the Custom House form almost the entire traffic on this road which is otherwise little used, and that consequently no inconvenience to the public can result from a portion of it being utilized for

Enclosure No. 2
To Quorum No. 1303

for a Shed. The roadway is 60 feet wide and I propose to take up only 20 feet of it. I am not prepared to say what the Shed will cost but it is certain not to exceed 6 months' godown rent of the Custom House proper and the concession is certain to be looked upon as a great boon by the entire mercantile community. I enclose for reference a rough plan of the proposed Shed sent to me by the Consulting Architect and request the Board will be good enough to obtain the sanction of Government to the work after submission of the proper plans and estimates.

Read also Reference thereon of the Board of Revenue of 26th January 1894.

Read also the following letter from the Collector of Sea Customs, Madras of 30th January 1894, No. 213 G:-

In reply to Board's reference on L. R. No. 544 of 24th Instant, I have the honour to state that a rough cost of erecting the proposed Shed will be about Rs 7000 and that the godown rent collected for the 6 months ending 31st December 1893 is Rs 8,872-11-1.

Resolution.

Submitted to Government
2. The Board considers that the Shed will confer a distinct benefit on the trade and business of the Government and accordingly recommends

recommends the project for the approval of Government and requests that an estimate may be prepared for the work by the Department of Public Works.

Order thereon 5th March 1894 No. 945 Mis.

686
3

The Collector's proposal which is supported by the Board of Revenue is approved. Orders will issue in the Public Works Department for the preparation of the necessary plans and estimates.
