3

Index map showing roads
constructed in the Tanjore
Dist. during 1893.

Para 44 Chap IX of the P.W.
Code lays down that the sub-
mission of these maps are
only required when new lines
of railways, canals or main
roads have been constructed
or section thereof opened
in order to bring up the maps
of India to date, but in the
case under reference it is
observed that the roads
in question are existing ones
which have only been metalled
or gravelled for certain dis-
tances during the year 1893.

As these roads are already
shown on maps it is submitted
that the maps in question
need not be forwarded to the
Survey Dept. Calcutta

(M.C. No. 73 of 22nd Feby. 1894)

(" " 151 of 2nd March 1894)

Recorded with the
remark that para 44 Chapter
IX P.W. Code rules that in
order to bring the map of
India up to date, index maps
should be submitted whenever
any new lines of Railway,
canals, large irrigation
channels or main lines of
road have been constructed
or section thereof has been
opened. The map submitted
by the President District
Board Tanjore gives existing
roads which have been
metalled or gravelled for
certain distances during
the year 1893, and as the
roads are already shown
on the map of India,
trans

map to the survey of
India department is un-
necessary.
