Henry Irwin, Esq., C.S.E.,
Consulting Architect
to the Government of Madras.

Sir,

I respectfully beg to inform you that my age as entered in the Service book is erroneous. This error was due to my horoscope not being in my possession at the time the entry was made at Bangalore, when it was made from memory as my horoscope was not then forthcoming. After my transfer to Madras in the year 1890, my father's property was divided between me and my brothers only last year and my horoscope was then found amongst other papers. According to my horoscope the date of my birth is the 21st day of Audi, of Satharana year corresponding to the English 3rd August 1850 and not the year 3rd August 1847 as entered in my Service book.

I therefore beg that you will be
pleased

pleased to get my birth-date altered
accordingly. The horoscope is sent
herewith for your kind perusal
and return.

For which act of kindness I shall
ever feel grateful.

I beg to remain,

Sir

Your most obedient servant

Lellanickuni Mood

Encl. No 3420 dt 8th March 1894.

Forwarded to Chief Engineer for further
consideration and orders of Govt.

The request now asked for by the applicant
is supported by documentary evidence and
if sanctioned by Government would only
enable him to remain in service without
special further sanction of Govt for three
years longer than at present. But on the
other hand he will be under a disadvantage
of losing 1 year & 4 months ^{as service} under ^{20 years} ~~age~~ ^{service} ~~age~~

He has at present put in a total
service of 24 years & 11 months.
