Malabar Collector's off.

Calicut, 1st December 1893.

From,

Herbert Bradley, Esq., ~~801~~

Ag. Collector of Malabar,

To,

The Executive Engineer,

West Coast Division,

Calicut.

Sir,

In reply to your letter dated November 8, 1893, No. 3793 M, I have the honor to inform you that Mr. Baker can only proceed to Androth by one of the Island vessels. The discomforts are considerable and the vessels are not always very safe. If it is necessary that he should go to the Islands soon I will endeavour to arrange for a passage for him.

I have &c,

2nd November 1893.

2. From the Collector's letter it would seem hazardous to proceed to the Islands in a country craft & further judging from the remarks by the Head Assistant collector this work seems to be of a petty nature and one which can be easily carried out as stated in the G.O. by a person accustomed to submarine blasting when the party next visits the Island in the Government Steamer.

It is said in the
