From the Acting Engineer Western Division to the Superintending Engineer 2nd Circle, d/10.11.1894, No. 762 S.

With reference to your No. 2813 K.S. d/24.5.1894, I have the honor to state that there are 18 blocks in the Jail building including the Jailor's quarters and the Office and storerooms of which only 5 have now been occupied by this Dept. and 2 more blocks are to be occupied by the Revenue Survey Office in a few days.

It is necessary to keep the unoccupied blocks clean & tidy and to remove the rubbish in and out of the Jail Buildings within the limit of the Compound as it accumulates. It is also necessary to watch the trees in the Compound, the usufruct of which will in course of time be sold by public auction. I therefore request that the watcher applied for may be sanctioned.
