SUBJECT.

Mill tent with backroom.

Submitting an indent
for one ———.

It would appear that there is an audit objection to charging the Survey with the cost of the tent. Only items that are chargeable to "Minor works" can be debited to a Survey. Tents are chargeable to "Tools Plant" and must go against Provincial.

There will be no objection to sanctioning the tent as an "office tent" for the Suptg. Engineer, and allowing the Survey to loan it.

For orders.

The supply of tents to Surveyors was declared to be inadmissible in L.V. 1120W of 16 April 1883. The scale presented in L.V. 270W of 30 Jan 84 does not expressly include this class of officer.

L.S.

To Manager

The tent is to be nominally an office tent for the S.E. but for the present the tent will be used as a house. I think its purchase may be sanctioned.
