GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

ORDER—dated 20th March 1894, No. 228, Financial.

Owing to the present condition of Provincial finances, His Excellency the Governor in Council has been compelled to reduce the grants originally assigned to certain departments for 1894-95 and to postpone the introduction of useful schemes, and it has become necessary that the strictest economy should be observed. The attention of all heads of departments is therefore specially drawn to this matter. They are requested not to submit any proposals for additional expenditure during the ensuing official year unless there is real urgency or unless such expenditure is required to prevent positive loss to Government.
