Informs that an Est has been
forwarded to D.G. for sanction.

SIR,

With reference to your letter No. 761 W, dated the 16th of ultimo 1894, I have the honour to inform you that there must necessarily be some little delay before the connection between the Revenue Survey office in Mount Road and the Telephone exchange in Fort St. George can be erected owing to the fact that the existing lines cannot carry the extra wires without considerable alteration.

2. An Estimate for the work has, this day been posted to the Director General of Telegraphs who has been desired to convey his sanction by wire.

I have the honor to be,
Sir,
Your most obedient servant

A. L. H. Palmer
