Sir,

In reference to your letter no $\frac{C}{274}$ of
11 August 92 forwarding a certificate regarding
the tax imposed by the Tirupattur Municipality on
the Dy. Subordinate building there. I have the honor
to point out that in as much as you do not accept
the assessment made by the Municipality, it is
necessary that the certificate should state that you
have taken or are taking all legal means to have
the excessive assessment reduced and unless
it contains this statement, the certificate cannot
be taken to support the payment (Vide article 98C)

In this connection, I have also to invite your

attention to No 809 of Local Revenue

and to append a copy of which is enclosed for
easy reference and to state that under these orders
it is the Executive Engineer who should certify that
all legal means have been taken to have the
excessive assessment reduced.

I therefore request that you
will be so good as to furnish me with a fresh
certificate in lieu of the one already sent, which is
herewith returned.

2 The house tax notice of demand for Rs. 23-6-5 forwarded with Deputy Collector's letter no. ¹³⁶⁴ 24-6-93 was received in this office on the 20th of that month. In letter no. 23 of 9-10-93 embodied in the G. O. above referred to, the Collector stated that the Chairman of the

3. The Treasury Deputy Collector in his letter no. 1796 of 19-8-93 informed that, in as much as the Executive Engineer did not accept the assessment imposed by the Municipality, it was necessary that the certificate should state that the Executive Engineer had taken or was taking all legal means to have the excessive amount reduced and requested to be furnished with a fresh certificate. This was refused on the strength of your letters nos. 26012 of 22-7-93 and 35312 of 24-8-93. Vide this office no. 1262 of 29-9-93 to the Deputy Collector.
