Dr

Mr. Dr. Eng. Timmely  
division recommends that  
Bachman Camp allowance  
be paid by Sub Comd. Hays  
Sgt. Lewis. I found  
to be inadvisable under  
the latest orders on the  
subject, should not  
be retrenched, but  
that the allowance  
should be stopped  
from date of receipt  
of the orders.

A number of other  
upper subordinates in  
similarly circumstances,  
a decision on the  
point will  
apply to all. The  
retrenchment cannot  
be withheld without  
the sanction of the S. of S.  
The question is whether  
India should be  
addressed. This

not likely that India  
will agree to the return  
of sums already paid &  
now found to be inad-  
visable, & the more reason-  
able course appears to  
be to make the recoveries  
by instalments, as  
suggested by the Secy  
in his office note  
no 658 & 22.2.94  
(current no 1395 line  
for orders).

Cy  
23.2.94

I am afraid this  
will be no use in  
forcing 2 line of 2.  
and the allowance  
overdrawn sum  
be retrenched.

W. H.  
23.2.94

I am afraid the  
the sum is far  
less than the sum paid

Sir,

Enclosure  
1. Dis: Dis.

In forwarding the list of Disallow-  
ances from the salary bill of this Division  
for December 1893, I have the honor to  
request that you will kindly address  
the Government in view to the revised  
rules regarding Compensation Allowances  
being given effect to from the date of  
receipt, which in this Office was 15<sup>th</sup> Jan  
1894. You will observe that the Examiner  
proposes to retrench the allowance from  
the date on which it was first drawn.  
although there is no retrospective effect  
given to the Circular No 18 of 22<sup>nd</sup> Dec 93  
which is printed with G.O. No 125 W of  
17<sup>th</sup> January 1894.

2. I need scarcely point out the great hardship that will be inflicted on the men in question if the rule be given retrospective effect, for they have drawn the allowance in good faith under the rules contained in Circular No. 11, of the 27<sup>th</sup> September 1893 printed with G.O. No. 2601 M

of 13<sup>th</sup> October 1893 and the Examiner has always passed these allowances without objection.

3. Pending the receipt of further orders I have stopped the payments of Compensation allowance to Sub Conductors

Stacey & Sergt Lewis from the 16<sup>th</sup> instant the date on which I received the revised rules.

\* Payments of allowance from 1<sup>st</sup> to 15<sup>th</sup> Jan<sup>y</sup> deferred pending audit.

I have the honor to be Sir

Your Most Obedient Servant
