P. W. D.

Office of the Consulting Architect to Govt.,
Chepauk, Madras,

14th February 1894.

No. 3185

From

Henry Swin, Esq., C.I.E.,

Consulting Architect

to the Government of Madras,

To

The Chief Engineer

Public Works Department

Madras

Sir,

In forwarding herewith the marginally noted correspondence, I have the honor to request the orders of government whether the buildings in question are to be brought on my return of buildings rented or available for rent. These buildings were under the charge of the Executive Engineer, Chingleput and were lately transferred to this office.

1. It is not known whether the rent for any of these buildings is calculated under the Government of India rule, vide Code Vol. I, Chapter II para 28 &c.

2. In most cases the repairs &c to the buildings attached to Agricultural College are not carried out by this office and I hear that they are arranged for by the Principal himself.

Yours
E. Under

Under G. O. No 3107 W dated 24 November 1882, it has been decided that in Consulting Architects (State Presidency) and Mitgini Divisions all petty works of construction and repairs should be carried out by the Executive Engineer and not by the departments occupying the buildings.

4. It is not known why this rule cannot be adhered to in the case of buildings attached to college of Agriculture.

5. Further I beg to inform you that the rents for these buildings are not credited in P. W. D. accounts but have hitherto been adjusted, it appears, in the accounts of the college. It would be well to consider now whether the practice adopted in the case of all other Government buildings constructed and repaired by P. W. D. should be adopted in this case also. Of course the responsibility of collecting should rest with the Principal as he would be better able to do it.

I have the honor to be

Sir

your most obedient servant

Henry P. P. P.

Consulting architect
to government.

To W.

As far as can be ascertained, the
buildings have not been constructed for
P.W. D. use, nor are they maintained at
the expense of Government; there does
not therefore appear to be any neces-
sity to interfere with present arrange-
ments.
