GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—again the following paper:—

G.O., dated 11th February 1893, No. 331 W., Public Works.

READ—also the following paper:—

From S. D. PEARCE, Esq., Superintendent of Works, No. I Periyár Division,
to the Chief Engineer, Public Works Department, Madras, dated Periyár,
16th January 1894, No. 252 C.E.

I have the honour to request that you will be good enough to inform the Postal department that a Post office will not be required at Thekady after 31st March next.

2. I have not yet been informed whether the usual recess will be sanctioned for the present year. If not, I would recommend that the dispensary at Thekady, together with the establishment attached thereto, should be abolished from the 1st April and the small remnant of the Thekady camp attended to by the Periyár apothecary. If a recess is to be sanctioned as usual however, I would recommend that the Thekady apothecary be retained till 1st June (the dispensary and the rest of the establishment being done away with on the 1st April) to take turns at Periyár with the Periyár apothecary in the medical supervision during the recess of the two camps.

ORDER—dated 6th March 1894, No. 624 W., Public Works.

In supersession of G.O., No. 517 E., dated 3rd October 1892, the Government directs that the usual recess granted to the establishment of No. I Periyár division be continued as heretofore.

2. The proposals in paragraph 2 of the letter from the Superintendent of Works above recorded are approved, viz., that the dispensary at Thekady be closed on the 1st April 1894, and that the services of the apothecary employed there be retained until the 1st June 1894. The necessary orders will be issued in the Public Department.

3. The Postmaster-General has already been informed that the Post office at Thekady may be closed on the 31st March 1894.
