Sir,

With reference to your
endorsement N^o 85C dated 13th
February, 1894 on G.O. N^o 259 W of
30th January, 1894, I have the
honor to report that on 30th and
31st January, 1894 I accompanied
the Presidency Port Officer
on an inspection of several
proposed sites for a proposed
light house at Kundapore,
but I do not yet know which
site will be selected and as
the estimate will depend
entirely on the site - for the light
will

will have to be at a certain
height above the sea, and all
the sides are at different
levels. I would suggest that
the question may remain in
abeyance till the Presidency
Port Officer gives expression
to his views in the matter.

I have &c.

Sigs C. H. B. Bullock
Executive Engineer.

N^o 98 of 9th March 1894.
