Kurnool – 2 taken out
Coimbatore 2 taken out
Chingleput 2 taken out

P. W. D.

779/4

Note for H.E. the Governor

The accompanying draft order embodying a statement of temporary upper subordinate establishment required in 1894-95 is submitted for approval. It shows an increase of four appointments over the establishment allowed for 1893-94, involving an extra charge of Rs 250 per mensem or Rs 3000 for the year. The following is an abstract of the establishment allowed for 1893-94 and that proposed for 1894-95.

	Appointments on Rs 250	200	150	100	80	60	Total
1893-94	2	2	7	11	23	26	71
1894-95	1	2	9	10	26	27	75

The decrease of one under

under Rs250 is due to Mr. E. R. Logan's removal to the Engineer establishment.

The increase of two under Rs150 is due to one Supervisor being required for the new Tank Restoration Party to be formed in the Chingleput district and one for the Muniyeru Project in the Kistna Eastern Division.

The decrease of one under Rs100 is owing to the closure last year of the Vamsadhara Project investigation in the Ganjam division.

Four extra appointments are proposed under Rs 80 and Rs60. Of these one additional man over the number allowed in 1893-94 for the Tank Restoration investigation Parties is asked for by the Chief Engineer for Irrigation. The other three are required two in the Bellary division and one in Kurnool. In these two divisions two extra temporary overseers

overseers in each were allowed in 1893-94 for the execution of estimates prepared by the Tank Restoration parties. These works have now been completed, and the temporary overseers posted for the purpose are required elsewhere, but the Supdg. Engineer recommends that two extra men be retained in Bellary until the Tungabudra channels are remodelled, and one in Kurnool for the Chopad scheme of the canal.

The 8 appointments entered under "Reserve" are the same as ~~last~~ in 1893-94 year. These are required to supply vacancies on the permanent establishment, due to the absence of men on furlough.
