Enclosures - Three.

Sir,

With reference to your letter No. 16918 dated 9. May 1895, I have the honour to enclose copy of this office letter No. 1569 dated 16-4-95 from which you will observe that Rs. 233-11-11 was credited to Deposits in the accounts for April 1891 with Engrs: Engineer's sanction obtained (No. 267 J. J. dated 27-4-91).

2. As by 31. March 1894, 3 years were completed since the amount was credited to Deposits, the same was credited to Provincial Revenue in the accounts for March 1894 under para 204 Chapter II Volume II of the Government of India Code.

3. I beg also to enclose a copy of final bill on record from which it will be seen that materials to the extent of Rs. 77 were supplied to the contractor.

The

The above sum is composed of:-

(1) Rs 62 (an item creditable to Prov^d Revenue) being the value of old pan & flat tiles sold in auction of the then dismantled sub-court buildings at Kumbakonam.

(2) Rs 15 (an item creditable to Irrigation Revenue) being the value of 20 C. yds. of firewood supplied from launary.

4. As stated by the Supts: Engrs., only Rs 156-11-11 will be paid to the contractor but he will be required to acknowledge a payment of Rs 233-11-11 which will be adjusted in the accounts as follows:-

Rs 156-11-11 to debit of Provincial Revenue when the sum is paid to the contractor.

Rs 15 to do — by credit to Irrigation Revenue (~~xxx~~ Aprl receipts)

As Rs 62 (vide I of para 3 supra) has already been credited to Provincial Revenue in the accounts for March 1894, no further adjustment seems necessary.

5. The enclosure to your letter under reply is returned.

I have etc.
