

Current No. 2027

Note

The accompanying index map showing the roads recently completed & opened for traffic in the Kurnool District is not in order & may be returned for revision with reference to para ⁴⁵ 44 Chap IX of the P. W. Code.

The scale of this map has not been marked on the tracing. It appears to be on a scale of 8 miles to an inch which is much smaller than the scale laid down for such maps, viz. 1 inch = 1 mile.

No note has been made on the tracing to show whether the alignment has been fixed from actual survey or otherwise, as per note II of the para under reference.
