The papers regarding
 Mr. C. Ranganathan Pillai
 are not complete. The
 later ones having been
 put up with a file which
 is not available here.
 The Classified List however
 shows that he was on the
 temporary upper subordi-
 nate establishment from March
 1894 to Feb 1897. On the
 latter date he, with a large
 number of other men, was
 thrown out on reduction.
 He was again appointed
 temporary upper subordi-
 nate in April 1890, & he
 served as such until the
 end of 1893. When he
 elected to revert to his
 permanent post of Sub
 Oversee - vide Memo N^o

Temporary upper Subordinate.
The question of his ...

Sub Overseer appears to have been overlooked, & he is well reported on there appears to be no objection to the increment being granted to him from the date it became due.

Have ascertained from the ... office that the man draws only \$50 per annum, the minimum pay of a Sub Overseer 1st Grade - He should have been granted an increment of \$10 sometime in 1892. The increment is now ... with retro- ... effect, he

Submitted to the Chief Engineer P. W. D. for favourable consideration.

The fact that the Sub-Overseer was for many years a temporary upper subordinate, seems to account for his ordinary quinquennial increase of pay in his substantive grade of Sub-Overseer having been overlooked.

Sir

I beg most humbly and respectfully
to request that you may be most kindly pleased to
submit the enclosed memorial to the Sup^r Eng^r
through the Executive Engineer and afford me your
strong support taking into your kind consideration
my honest and hard work I have performed under your
orders.

In the Sup^r Engineer's Endorsement No 32 SA.
dated 18th January Communicated to me in your order
No 87 dated 30th January 1895. I beg respectfully to
notice that my request was not correctly understood.
While my prayer was that the ordinary quinquennial
increment under ^{Chap. I} Note 2 article 13. of India Code Vol. 1.
might be given to me the Sup^r Eng^r thought that I
wanted the Special increment under Note 3 which
is granted after 1 years service in my grade. I beg respect-
fully to submit that I did not ask for the special increment.

I therefore humbly pray that I may be granted
the ordinary quinquennial increment under Note 2. of
article 13. of India Code Volume I already referred
to in para 10. of my printed memorial.

For which act of kindness
I shall ever as in duty bound pray.

4th April 1895

I beg to remain
