

of obtaining the same
Government to pay the
employed on the "Dra
from Romperu Drain to
Salt Creek" at the rate
as proposed by the
Engineer.

In the opinion of the
signed there should
three surveyors permanently
attached to each circle
matters now stand
leaves the District
of his work, and it
to give the responsibility
accurate work. In the
is constant work for
surveyors and it would
economical to have
staff, instead of having
advertise for temporary
who are often inefficient
have little inducement

ent of the Circle. No. 19 S.

April 1895.

the honour to bring
to the notice of the Surveyor, that
Mr. [Name] was appointed
in 1894 in connection with
the drainage cuts
from Drain to Perali Salt.
It is the understanding that
the work turned out by
the Surveyor sanctioned
Rs. 2135 W. dated 29-8-94.
The Surveyor at Rs. 80 for two
months for the levels taken by
him in connection with the work
is correct that a resurvey
was ordered and the
work took 6 months to finish.
As the Surveyor was a
learning work at the
